

# 8<sup>th</sup> International Conference on Inventive Systems and Control ICISC 2024

## IMPORTANT DATES

Full Paper Submission Deadline

10 April, 2024

Final Acceptance Intimation

15 May, 2024

Registration Deadline

20 June, 2024

**Conference Date**

29-30, July 2024

**Organized by**

JCT College of Engineering  
and Technology

## About ICISC 2024

**8<sup>th</sup> International Conference on Inventive Systems and Control [ICISC 2024]** invites novel and unpublished research contributions that address the existing challenges and/or showcase the state-of-the-art real-world applications and enabling innovative technological advancements of Artificial Intelligence [AI], Machine Learning, Deep Learning and Intelligent Control. The conference theme for this year will be ***"Intelligent Systems and Control Technologies"***. The main aim of ICISC 2024 is to present the state-of-the-art research innovations and results in the area of intelligent systems and advanced control technologies and real-world applications in ICT research, particularly covering autonomous systems, artificial intelligence, sensing, hardware and software implementation, soft computing, hardware/software-oriented optimization, intelligent control design, intelligent system integration and control applications, and other relevant research areas. ICISC 2024 intends to bring together researchers from both academia and industries, who are working on emerging topics of artificial intelligence and control

## About COLLEGE

**JCT COLLEGE OF ENGINEERING AND TECHNOLOGY**  
Shri Jagannath Educational Health and Charitable Trust was established by renowned and philanthropic people with an objective of providing education to all especially the down trodden and rural population. Considering the growing demands for technical education in the country the trust has started an engineering college namely JCT College of Engineering and Technology in Pichanur in Coimbatore for the academic year 2009-10. The College is located at Pichanur at the foothills of the Western Ghats in a serene, eco friendly lush green environment. It is well connected by road, rail and air. The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

# Call For Papers

## Intelligent Systems

- Robust Machine Learning Approaches
- Computer Vision
- Soft Computing Techniques
- Human-Centred Artificial Intelligence
- Deep Learning: Prediction, Representation & Visualization
- Natural language processing
- Cognitive architectures
- Artificial Intelligence for IoT Systems
- Explainable Artificial Intelligence and Intelligent Systems
- Cyber-Physical System with Artificial Intelligence
- Hybrid Fuzzy Systems
- Intelligent Agents and Multi-Agent Systems
- Complex Industrial Intelligent Systems
- Trusted and Dependable Intelligent Systems

- Robotics, navigation and control
- Network Intelligence and Network Control
- Intelligent fault detection and fault-tolerant control
- learning and adaptive control
- Complex system modeling, optimization and control
- Intelligent control applications
- intelligent automation and decision support systems
- Fuzzy and Neural Networks Based Control Systems
- Intelligent Vehicle Control
- Learning and Adaptive Control Systems
- Hybrid Intelligent Systems and Control
- Embedded Control Systems
- Machine Learning in Control Applications
- Software Agents for Intelligent Control Systems

## Control Techniques

## COMMITTEE

### CHIEF PATRON

Dr. S. Manoharan  
Principal,  
JCT College of  
Engineering and  
Technology,  
Coimbatore,India.

### CONFERENCE CHAIR

Dr. K. Geetha,  
Dean Academics and  
Research,  
JCT College of Engineering  
and Technology,  
Coimbatore,India.

### ORGANIZING COMMITTEE

- Dr. A. Kumar, HoD/Civil,  
JCT College of Engineering and Technology,  
Coimbatore, India.
- Dr. S. Venkatesh Babu, HoD/PE,  
JCT College of Engineering and Technology,  
Coimbatore, India.
- Dr. P. Dhanasekaran , HoD/PCE,  
JCT College of Engineering and Technology,  
Coimbatore, India.
- Dr. P. Suresh Kumar, HoD/Automobile,  
JCT College of Engineering and Technology,  
Coimbatore, India.
- Dr. G. Gnanavel, HoD/Food Tech,  
JCT College of Engineering and Technology,  
Coimbatore, India.
- Dr. M. Muralidharan, HoD/S&H,  
JCT college of Engineering and Technology,  
Coimbatore, India.
- Dr. G. Magesh, HoD/Mechanical,  
JCT college of Engineering and Technology,  
Coimbatore, India

## PUBLICATION

## Manuscript Submission

The research article should be according to the aforementioned template, and provided in electronic form (MS-Word/PDF) by,

Email:  
[icisc.contact@gmail.com](mailto:icisc.contact@gmail.com)

The proceedings of the conference will be submitted to Xplore and CSDL for possible publication.

<https://www.computer.org/conferences/cps>

### Indexing

Content will be submitted to the indexing companies for possible indexing. Indexing services are independent organizations, and CPS cannot guarantee that any particular abstract or index entry will be included in Ei Compendex or any other indexing service.

## CONTACT

Dr. K. Geetha,  
Dean Academics and Research,  
JCT College of Engineering and  
Technology,  
Pichanur Road, Off NH 47,  
Pichanur, Coimbatore,  
Tamil Nadu, India - 641105
